2017 - 2021

Yuriy Fedkovych Chernivtsi National University

Chernivtsi, Ukraine

Master's degree, Secondary Education and Teaching Master's degree, Secondary Education

2023 - 2024

Summary

I'm Max Levchuk—a dynamic full-stack engineer. With deep expertise in React/Next.js, Angular, Node.js (Express & NestJS) and TypeScript, I build end-to-end web solutions that deliver seamless user experiences, scalable performance and maintainable code. Passionate about every layer of the stack, I turn complex requirements into intuitive, visually engaging applications.
